

## **TRUCK ID FOR ATTEMPTED THEFTS**

*Posted July 6, 2018*

On July 5, 2018, Redcliff RCMP responded to a farm in Cypress County where a property owner had confronted two males attempting to steal diesel fuel. The property owner was nearly run over during the incident.

Later, that same truck was reported trying to cash a fraudulent cheque at the Servus Credit in Redcliff. The truck is a 2008 Ford F350, red in color with a sliptank in the back.

The driver was wearing a ski mask with glasses and likely has blonde hair.

License plate is EFZ 473, Alberta.

Anyone spotting this truck is asked to call Redcliff RCMP at (403)548-2222, 911 or their local police service immediately.

As these subjects have already shown disregard for safety, the public are advised not to confront them.
