

Don't make your vehicle a target.

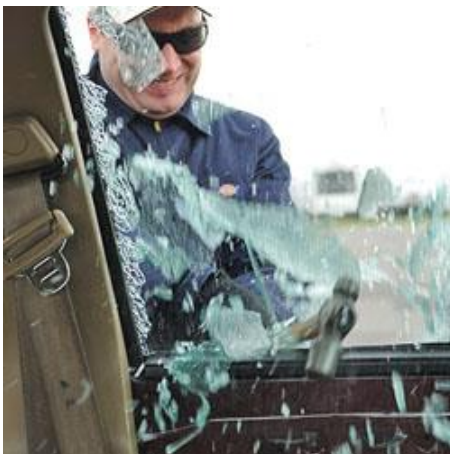

Here are **some simple tips** to protect your vehicle and possessions from thieves.

- Park in a well-lit, well-traveled area.
- Keep gifts and valuables in your trunk and out of sight.
- Lock your vehicle and use a [steering wheel lock](#), available at any AMA centre.
- Never leave your keys in a running vehicle, even if you're just making a quick stop.
- During shopping marathons, utilize parcel check services or place presents in the trunk and then move your vehicle to a new location.
- Place an All Valuables Removed placard in the window of your vehicle.

HOW SAFE IS YOUR VEHICLE?

Find out if you could be a victim of vehicle theft.
