

South East Rural Crime Watch Fanout

Posted March 2, 2021

Please be aware that a newer model (10yrs old or less) white Toyota Corolla has been reported as a suspicious vehicle on a rural property west of Redcliff. Alberta license plate number TSE 109. Found in the area of Range Road 92 south of Suffield, the occupants were a male and female and attempted to hide their identities. The male is described as 5 foot 10, stocky build approximately 210 to 230 pounds with skull tattoos on his hands. The female is described as skinny with long dark hair. They fled the area and were last seen heading east into Redcliff. Please also note that there have been reported break-ins in the Suffield area. If sighted, do not approach the vehicle, please report to RCMP as soon as possible at 403-548-2222 or by calling 9-1-1 if it is an emergency.

As always please remain vigilant for any suspicious activity and if you do see anything please report it as soon as possible. Good details to write down or take photos of include: make/model/color of vehicle, licence plate, location, date and time, any identifying features of the individual's clothing or person. DO NOT put yourself in danger to get this information and DO NOT pursue a person or vehicle.
